SIVA SARKUNA PANDI S

+91 6369082266 | sivasarkunapandi@gmail.com

Career Objective

Motivated and detail-oriented graduate looking for an entry-level job in cybersecurity. I want to apply my basic knowledge of network security, threat analysis, and security best practices. I am eager to get hands-on experience in security monitoring, incident response, and vulnerability assessment. I aim to help strengthen the organization's security. I am dedicated to continuous learning and keeping up with new cyber threats and technologies.

Qualification

- MCA (Pursuing)- Anna University - Nehru Institute of Information Technology and Management (2024–2026) – 7.8 CGPA
- BCA- Madurai Kamaraj University- Ayya Nadar Janaki Ammal College (2021–2024) – 7.55 CGPA

Skills

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** HTML5, CSS3, Bootstrap
- **Database:** MySQL
- Networking and Windows & Linux Fundamentals

Project

Website for Cracker Shop

Technologies: JavaScript, PHP, MySQL
Developed a dynamic e-commerce website for a cracker shop with product listings and cart functionality. Implemented database integration for storing customer orders and improved UI/UX using JavaScript validations and PHP server-side logic.

Workshop

Participated in a hands-on AWS Workshop organized by Fiducia Association – NIITM on 26 April and 3 May 2025.

Internship

Front-End Development Intern – Baboolsoft, Sivakasi (May–June 2023)
Worked on improving website design and responsiveness using HTML, CSS, and JavaScript. Assisted in debugging UI issues and optimizing code for better performance. Collaborated with senior developers to understand industry best practices.
